---

## OBJECTIVES

An experienced front-end developer and IT professional with a love of teaching, looking for a challenging position where I can put my technical knowledge in web development, IT operations, and programming instruction to use.

## EXPERIENCE

### Frontend Developer | New horizon, Abuja

2023 – PRESENT

- Created and maintained responsive websites with the help of JavaScript, HTML, CSS, and contemporary front-end frameworks like Angular and React.
- Worked in tandem with backend engineers and designers to create user-friendly interfaces and guarantee cross-browser compatibility.
- Performed code reviews and gave junior engineers technical direction.

### Programming Teacher | New horizon, Abuja

2022 – 2023

- Developed and presented lectures on the principles of IT, web development, and programming.
- Developed instructional materials, homework assignments, and evaluations to aid in students' learning.
- Trained and guided pupils, assisting them in acquiring useful programming abilities.

## **Compture Operator | New horizon, Abuja**

**2021 – 2022**

- Oversaw security systems, networks, and servers that make up the IT infrastructure.
- Offered technical assistance and troubleshooting for problems with software and hardware.
- IT best practices were put into operation to guarantee data security and system dependability.

## **EDUCATION**

### **Bachelor Of Science | National Open University of Nigeria, Abuja**

**2021 – IN VIEW**

Bachelor of Science in Computer Science.

### **Senior Secondary School Cert. | Baifor Model Academy**

**2017 – 2020**

Baifor Model Academy Dakwo, Abuja, Nigeria.

## **CERTIFICATIONS**
